

Everything we print legally needs to say something along the lines of "Printed in China" or "Made in China". Please be sure that this is included somewhere that will be visible on your tuck box.

Note: Do not place artwork on the guide layer.

File Submission: We require two(2) fles.

1. Artwork on one layer with guide layer on top*

2. Artwork alone without guide layer

*Our printer uses the first file as a reference to make sure your box prints as expected.
